# Management of Value Foundation (MoV®) Online

ILX Group's accredited MoV Foundation e-learning course covers all aspects of the MoV guidance. Using voice, animation and activities, the course takes approximately 6 hours to complete which is equivalent to a 2-day workshop.

The main body of the course consists of 11 sessions which covers MoV Principles, Processes and Techniques. It also covers MoV Approach and Implementation, the MoV Environment, Embedding MoV and the MoV Guidance Appendices.

## BENEFITS

- ✓ An exam simulator which results in exceptional pass rates
- ✓ Increased retention of learning
- ✓ Less time taken to learn
- ✓ Increased control and visibility of progress and achievement
- ✓ Reduced travel costs
- ✓ Accessible from any location..

## WHY E-LEARNING?

Technological improvements and advances in educational design mean that e-learning is no longer just a low cost alternative to traditional training methods. In many respects our courseware offers training which is superior to the majority of available "classroom" options.

Not only is the effectiveness of the training process enhanced, but also the convenience and overall cost efficiency of e-learning makes it a compelling option for training.

Delegates gain the knowledge that they need and the training can be targeted at specific individual requirements, any time, any place. Delegates also learn at their own pace and can repeat each section as many times as required during the course and as a refresher.

## Target Audience

The course will be of benefit to all levels of management including:

- ✓ Corporate Managers – responsible for instigating MoV studies with a view to starting new programmes or projects
- ✓ Programme Managers – responsible for making sure programmes deliver the best value solutions taking into account the views of the stakeholders
- ✓ Project Managers – responsible for delivering products from their projects that represent the best value for money solutions
- ✓ Operational Managers – responsible for undertaking MoV studies to assist in reviewing operational procedures and improving efficiency
- ✓ All other personnel who have an interest or responsibility for Management of Value within their organisation
